Clear Vision

© Kim Rene Kiefer

Your ability to clearly see the road ahead is closely bound to your intuition. To gain clarity, tap into your own power center. Follow your gut instinct to get you where you need to go. Let your personal power be inspired by your heart rather than ordered by your head. Ask for clear direction and clarity. Follow Spirit's guidance. Move forward.

Hawk

The hawk represents clear vision. It is the symbol of the visionary, of one who sees clearly what the future holds. Hawk energy brings insight, foresight, and hindsight, for the hawk sees in many directions. Red-tailed hawks are often seen in pairs, as these creatures mate for life and will hunt together. They show us the importance of teamwork, cooperation, and a balance between male and female.

Quote

"Destiny is not a matter of chance, but of choice. Not something to wish for, but to attain." ~ William Jennings Bryan

Spider Magic

As Halloween approaches, ghoulish decorations appear. Spiders and their webs are rather startling in oversized proportions, as they conjure images of Harry Potter.

Spiders are the weavers of magic. Their webs are intricate works of art that we rarely appreciate. The spider merely sits at the center, patiently waiting in stillness for what it needs to arrive. There is very little effort on its part.

"You need not leave your room. Remain sitting at your table and listen. You need not even listen, simply wait. You need not even wait, just learn to become quiet, and still, and solitary. The world will freely offer itself to you to be unmasked. It has no choice; it will roll in ecstasy at your feet." ~ Franz Kafka

Do you wait silently and patiently for what you need? Are you caught up in the busy, mundane aspects of life? Has your life become drudgery? Or, is your life effortless? Lighten up the energy in your life with a little fun. Make a joyful noise by drumming, singing, clapping, or dancing.

Sit in the center of your own, unique web. Imagine all the threads of your life woven together in a beautiful tapestry. Each thread represents an event in your life. See the beauty in each one, no matter the nature of the experience.

Your tapestry is your magic carpet. You sit at its center. You are the pilot of your destiny. Take your magic carpet and go on the ride of your life. Now is the time. 1-2-3 Go!
