Spider

The spider wields much in the ways of magic. Its body is a figure eight and contains a mobius, which holds some of the deepest magic in tribes around the world. According to Ted Andrews, these master weavers were considered the founders of the first alphabet, which was formed by the geometric patterns and angles in their webs. Spider calls you to tap into your creativity and weave your dreams.

It's Your Time

It is a time of completion, as we near the end of the Mayan calendar. We are at a crossroads that few experience in their lifetime. It is the end of one cycle and the beginning of another cycle. Some say it's the end of the world. It's only the end of the world as we know it.

Big and subtle changes are on the horizon. Humanity is collectively moving in a new direction. An invisible thread of destiny is pulling us forward in consciousness. It is also pulling Mother Earth with it. We are part and parcel of Mother Earth. As much as we try, we cannot separate ourselves from her. She is part of us and we are part of her. Her destiny is our destiny, and vice versa.

This is a special time for all of us. It is a special time for you. Take time to reassess your life. Look at it from a different perspective, beyond any appearances. Feel into where you are at in your life. Hear the messages Spirit is sending you. Harness the energies of this time to transform your life. Will it be easy? Probably not. Will it be challenging? Most likely. Will it be worth it? Absolutely.

Time is of the essence. Timing is everything. It's your time. Be encouraged. Be emboldened. Be changed. Be magic.

Mayan Galactic Signature for 2013

In keeping with the Mayan calendar, each year bears its own Galactic Signature with specific energies year round. The current 260-day Mayan Tzolkin calendar began on July 26, 2012 and ends on July 25, 2013. This year's Galactic Signature is Kin 59: Blue Resonant Storm. The following words sum up the energies of this signature.

I channel in order to catalyze
Inspiring energy
I seal the matrix of self-generation
With the resonant tone of attunement
I am guided by the power of magic
