Adventure

Live boldly. Laugh loudly. Love wholly. Life is a tasty adventure to be relished and savored. Good to the last drop. Do not waste your life on petty self-importance. Everything passes but the memory of a life well-lived.

Giraffe

With great height, giraffe sees distant horizons and things to come. Giraffe possesses a unique perspective, with its feet on the ground and its head in the clouds. This creature is well-grounded yet receptive to higher realms. A long, graceful neck connects head and heart. Examine your life. What is on your horizon? Are you connecting your head and heart? Are you open to new perspectives? See beyond the present moment. Into your future. The next adventure.

Quote

“The biggest adventure you can take is to live the life of your dreams.” ~ Oprah Winfrey : From BrainyQuote.com

Spring Has Sprung

Spring is a time of rebirth. New growth abounds. Trees bud. Flowers bloom. Birds sing. You have an opportunity to bloom anew, to spring forward in your life. Your new adventure awaits you. Bloom into your future. It's waiting.

Free-falling Into Life

Like the Tom Petty song, sometimes you may feel like you are free-falling through life. Yes, it's scary. Unpredictable. Risky. Even downright dangerous. The best thing to do is close your eyes, trust, let go, and live. Be adventurous.

Free-falling is like sky diving. Your parachute is behind you. No doubt it's there. You have a backup plan. You are supported by a buddy. Sounds a lot like life doesn't it?

Our culture is about control. It is fear-based. Free-falling makes you feel like your *life* is out of control. In fact, it feels like *you* are out of control. What's wrong with that?

Life is often ironic. You think you're getting cherries. Instead, you end up in the pits. You think to yourself, is this some kind of cosmic joke? Perhaps.

Things are not always as they seem. When life spins out of control, it may be for a reason. Unseen forces are at work. Time for you to let go of control. Turn the reins over to a higher power. When you get out of your own way, that's when miracles happen. And, the adventure begins.

There are miracles around you every day. Know that when one door closes, another always opens. Let yourself free-fall. Trust in divine outcomes. Envision an easy landing. You may be pleasantly surprised. Really.

Light Language

Learn to read and write in light. Communicate at light speed. Redirect your life. Change the lives of others. Impact your community. Make a difference in the world.

The following Light Language classes are available:

- LL1 – Beginning Light Language
- LL2 – Intermediate Light Language
- LL3 – Advanced Light Language
- AP – Advanced Principles of Light Language
