Karma

Karma — birth, death, rebirth. It is a part of humanity. An evolution of your soul. Each lifetime, you gain insight and wisdom. When reincarnating, you do not lose any spiritual ground. Your soul simply picks up where it left off. Each lifetime is a set of clothes you wear for your new role. A stage is set, with new lessons, actors, and different lines. You are ready to shine now. Lights, camera, action!

Quote

“The ultimate lesson all of us have to learn is unconditional love, which includes not only others but ourselves as well.” ~ Elisabeth Kubler-Ross from *Brainy Quote*

Back to School

It's that time of year. Summer's almost over. Days by the pool become a dim memory, replaced by days at school. Don't be fooled into thinking those days are really over.

Your life is a school. You chose your curriculum and carefully planned your lessons. You picked your family, circumstances, and a host of other things. All set up with the intention of supporting your life course.

Your life lessons are unique. You may share themes, areas of challenge, and similar experiences with others. Yet, your lessons are specific to your life. It's up to you to complete them. And, get the lesson!

Lessons come in many forms — people, places, things, experiences. Lessons may build on each other, often becoming bigger until you actually get it. Your big Aha moment means you got it. Lesson over. Move on.

Most lessons revolve around specific areas of life — finances, work, home, family, relationships, etc. If you look at your life, you'll see patterns that reveal your life lessons.

- What experiences occur?
- What challenges seem to re-occur?
- What kind of people show up?
- Are there similar themes?

Your life lessons may not always be fun. Know that when they are done, that's it. Life is all about change and growth. And with each completed lesson, you are growing to become all that you are meant to be. And even more.
