Masters

Masters are wonderful, wise, and enlightened beings. Some are ascended, while others still grace us with their presence on earth. You are the master of your life and destiny. You have the power of free will guided by faith to lead you on. Each step is part of a larger journey toward self-mastery.

Quote

“When heron appears, we know what is best for us now and should follow our own inner prompting rather than the prompting of others.” ~ Ted Andrews

Great Blue Heron

Hérons are powerful, graceful, magnificent creatures. They are comfortable in many environments — land, water, air. Ever see one in flight? Simply amazing as masters of sky. Their energy evokes a boundless, innate self-mastery. Deep within is your well of power, grace, magnificence, mastery.

Answers versus Solutions

Others may try to tell you what to do. Your friends and family will offer their opinions. Your teachers and mentors will offer their advice. Unless you have asked, it's not their business. It's up to you to follow your own guidance.

Beware of those who think they have answers for your life. They don't, you do. That's not to discount what is offered by psychics, readers, etc. They are using their tools to help

you discover what is already inside of you. Go within — all you need to know is there. It's not outside, it's inside you

Remember, some things are only tools. Use them to your advantage. Look past answers to solutions. Answers are about answering questions. Solutions are about solving problems. Different energies, thus different outcomes.

Seeking Guidance

Sometimes we seek guidance from other realms — ancestors, ascended masters, archangels, angels. Be clear with whom you want to connect. Otherwise, you may not end up with the real thing. For example, ask for “The Archangel Michael,” not just Michael.

Other beings can masquerade as something or someone they are not. Be aware. If in doubt, ask directly, “To whom am I speaking?” They **MUST** tell you the truth. No answer is a pretty strong indicator, as well as vague answers. If it's the real deal, then there will be a strong authority behind positive confirmation. Any doubt? Tell them to get out (nicely, of course).
